0:00:00 3:13:22

Gregory opened the show in a 90 minute interview going over:

- how he got into movie making
- midnight movies
- Frank Henenlotter
- working on Brain Damage
- Slime City
- Troma and Lloyd Kaufman
- Killer Rack
- the upcoming **Johnny Gruesome** and how he has been working on it for 30 years
- so much more including the **Buffalo Dreams Film Festival**

"Nasty" Neal and "Terrible" Troy then reviewed the remake of "The Mummy" and kick off of Universal's "Dark Universe"

We were then joined by Seve Schelenz (2:21:32):

- his film Peelers
- Zombies
- independent movies
- film festivals
- projectile vomiting and more!
